WORK EXPERIENCE

OTG SPECIALIST

Olga's Kitchen | 2025- PRESENT

Worked within a fast-paced customer service environment focused on to-go food preparation. Work environment allowed me to improve my customer service skills, as well as my ability to work in a team based, high stress setting.

Time Management / Customer Service / Communication

SPONSORED COLLABORATIVE STUDENT

CARHARTT | 2024

Worked with lead individuals at Carhartt through a sponsored studio within the College For Creative Studies to concept, design, and construct a modular garment that allows for many uses, for many different professions. This project was completed from start to finish in four months, with a final presentation to display the end result.

Concepting / Patternmaking / Collaborative teamwork / Problem Solving Within Design And Construction / Functional Garment Construction

COSTUME INTERN

Eisenhower Dance Detroit | 2024

Throughout this internship I had worked alongside the company's costume director to create tutus, as well as alter pre existing costumes to fit the individuals that would be wearing them for their production of The Nutcracker. This internship spanned over the course of five months, concluding with the final performance.

Alterations / Problem Solving / Collaborative Teamwork / Costume Construction

TEAM MEMBER

Chipotle Mexican Grill | 2023-2025

Worked within a fast pace, high stress environment that helped me improve my communication skills and my capacity to perform under pressure.

Time management / Customer Service / Communication / Food preparation

TEACHING ASSISTANT

River Raisin Dance Academy | 2018-2022

Worked within a classroom environment teaching young children the basics of ballet, while assisting in developing crucial communication and development skills. I was able to gain experience in childcare, as well as work in a highly unpredictable environment, which had allowed me to gain experience working under pressure.
